B. RESITS

Students who wish to resit and score much better grades after their first attempt for international exams offered by both Cambridge International Examination and Edexcel at IGCSE and A-Levels/IAL can register with the center. Each student will be assessed to determine the time needed to prepare sufficiently for their examinations.

C. REPEATING

Candidates who already sat for KCPE and KCSE can register as private candidates to sit again for their national exams.

2. HOMESCHOOLING SUPPORT

Families that choose to homeschool their children on their own can opt to be associated with the center. The Learning Center will support their learning through:

- Provision of formal curriculum and resources
- Examination marking and student reviews
- Training & Facilitation of teaching styles and Learning areas set-ups
- Examination Preparation

3. NORTH AMERICAN CURRICULUM STUDENT SUPPORT AND MANAGEMENT

Students currently in schools offering North American Curriculum and homeschooling students using North American Curriculum are included in this programme. Subject specialists well experienced in 3 of the best online schooling organizations which include: The Keystone School, Monarch, NorthStar Academy will support and guide individual students throughout there learning semesters.

4. EDUCATION SYSTEM/CURRICULUM GUIDANCE

With vast options and opportunities in Kenya for private education meeting global standards, more often parents choose to have their children move from one education system to another.

The learning center through its curriculum design experts helps guide these families through the transitions successfully. Some of the transitions would need assessments or Private tuition classes to help the student catch-up and bridge the academic gap with the group they have been placed in their new school.

5. EXAMINATION MARKING AND REVIEW

Being East Africa's largest Group of Homeschools and tuition center comes with the largest network of teachers of all levels including subject specialists. Any student who wishes to sit for any examination, can do so at home or at the center. Their examination will be marked by the appropriate subject teachers and necessary recommendations advised.

6. PROVISION OF LEARNING MATERIALS AND RESOURCES

The Priority Family is a web of teachers and students sharing learning materials from various schools and learning institutions. All these materials are well preserved filled and can be accessed by any student at a fee.

7. PERSONAL STUDYING FACILITIES WITH PRIVATE LIBRARY

The tuition center has good personal studying facilities for both its students and non-students. Any student wishing to study on their own at the center will be charged a fee for using the facilities also including a private Library and self-managed light meal kitchen.

8. HOMEWORK AND STUDY SUPERVISIONS

Each student is a unique learner in their own way; within this groups are learners with minimal concentration time and are easily distracted during personal studies. They would easily forget to do school assignments and revise on their own. Homework and study supervision programmes are individually tailored for each of these students to meet their potential and needs. These programmes are administered after school, during weekends and Holidays by teachers well trained and experienced in Student Learning Support. The student is helped and guided to learn and acquire necessary skills and study habits to enable them carry out studying and homework on their own in future.

9. GUIDANCE AND COUNSELING

Every student needs to be guided in various aspects of their student life including social life, studying habits and careers. The Priority Scholar programme provides guidance and counselling for the individual student, motivating, nurturing and guiding them through their journey in school. The student's parents/guardians are at the core of the programme coached by the educators to support their child at home as they spend most time with them.
